

iServe

Service has been recognized by colleges and universities on their applications. There are numerous scholarships available out there that are based on service. Colleges and universities want to see how you perform academically but they may also want to see that you can do more than study!

Community service is highly suggested for the South Cache student. It is a great way to get involved, experience occupations and become a responsible citizen. It also looks great on job applications and resumes. But mostly it is for the benefit of your community and those you choose to serve.

Suggested hours 7th – 30 hours 8th – 30 hours
